AN INCOMPARABLE DEALER NETWORK.

We have more than 120 dealer locations throughout North America where you can purchase new equipment or service your existing fleet. Each is run by certified trained professionals dedicated to helping you solve problems and get the job done. You also get:

- A commonality of parts across the dealer network
- Dedicated dealer inventory
- Dealer rental programs RPO
- Dealer-sponsored customer training
- A second-to-none, dealer-to-factory channel
- Dedicated territory managers with more than 100 years' experience in hydro excavation

VACUUM EXCAVATORS

CHOOSE THE ONE THAT'S RIGHT FOR YOUR JOB.

Trenchless expertise has never been in higher demand, and your ability to make a big impact with a small footprint is critical. By combining underground utility and soft-dig industry innovation leaders McLaughlin Group, Inc., Vac-Tron Equipment, LLC, and Vacuum X-Traction Products Inc. (VXP), Vermeer has become the new powerhouse in vacuum excavation technology and equipment.

With a single-point, full-line dealership network, we're leveraging nearly 125 years of vacuum excavation innovation, market expertise and production capability. Today, everything we do, everything we make, is designed to help you get the job done right. Fast. Effectively. And efficiently.
